## SCAFFOLD PACK

The **GORILLA Expanda Scaffold** has been specially designed by one of Australia's leading scaffolding companies (No Bolt®) to incorporate strength, durability and most importantly flexibility. The **Expanda Scaffold** incorporates a unique design that allows you to expand both up and out by adding additional free standing core packs or riser packs, making it incredibly versatile.

To achieve the variations above, you can purchase the optional accessories and tailor-make your scaffolding.

### OPTIONAL ACCESSORIES
